

## 0.1 Planning as of 16/04/2018

| Name                               | Description  | Deliverable                     | Est.     | Complete   |
|------------------------------------|--|---------------------------------|----------|------------|
| Create scripts for all experiments | Create all the scripts for the deployment of experiments   | Experiment scripts              | 6 hours  | 19/04/2018 |
| Experiment 2 (2/12)                | Ticktime influence on the blacklist algorithm with all but one fail-over                         | Compressed Ex.2 2/12 results    | 19 hours | 20/04/2018 |
| Experiment 3 (2/12)                | Ticktime influence on the blacklist algorithm with all but one-fail over with random sample size | Compressed Ex.3 2/12 results    | 19 hours | 25/04/2018 |
| Work out Ex.2 (2/12)               | Compile results of Ex.2 (2/12)   | Compiled results of Ex.2 (2/12) | 2 hours  | 23/04/2018 |
| Write chapter 6.2                  | Write down the results for chapter 6.2 about the results of Ex.2 (2/12)                          | Chapter 6.2                     | 3 hours  | 23/04/2018 |
| Experiment 2 (3/18)                | Ticktime influence on the blacklist algorithm with all but one fail-over                         | Compressed Ex.2 3/18 results    | 19 hours | 27/04/2018 |
| Work out Ex.3 (2/12)               | Compile results of Ex.3 (2/12)   | Compiled results of Ex.3 (2/12) | 2 hours  | 30/04/2018 |
| Write chapter 6.3                  | Write down the results for chapter 6.3 about the results of Ex.3 (2/12)                          | Chapter 6.3                     | 3 hours  | 30/04/2018 |
| Experiment 2 (4/24)                | Ticktime influence on the blacklist algorithm with all but one fail-over                         | Compressed Ex.2 4/24 results    | 19 hours | 01/05/2018 |
| Work out Ex.2 (3/18)               | Compile results of Ex.2 (3/18)   | Compiled results of Ex.2 (3/18) | 2 hours  | 01/05/2018 |
| Write chapter 6.5                  | Write down the results for chapter 6.5 about the results of Ex.2 (3/18)                          | Chapter 6.5                     | 3 hours  | 01/05/2018 |

|                         |  |                                 |           |            |
|-------------------------|--|---------------------------------|-----------|------------|
| Experiment 3<br>(3/18)  | Ticktime influence on the blacklist algorithm with all but one-fail over with random sample size | Compressed Ex.3 3/18 results    | 19 hours  | 03/05/2018 |
| Work out Ex.2<br>(4/24) | Compile results of Ex.2 (4/24)   | Compiled results of Ex.2 (4/24) | 2 hours   | 03/05/2018 |
| Write chapter 6.8       | Write down the results for chapter 6.8 about the results of Ex.2 (4/24)                          | Chapter 6.8                     | 3 hours   | 03/05/2018 |
| Experiment 3<br>(4/24)  | Ticktime influence on the blacklist algorithm with all but one-fail over with random sample size | Compressed Ex.3 4/24 results    | 19 hours  | 04/05/2018 |
| Work out Ex.3<br>(3/18) | Compile results of Ex.3 (3/18)   | Compiled results of Ex.3 (3/18) | 2 hours   | 04/05/2018 |
| Write chapter 6.6       | Write down the results for chapter 6.6 about the results of Ex.3 (3/18)                          | Chapter 6.6                     | 3 hours   | 04/05/2018 |
| Experiment 1<br>(2/12)  | Ticktime influence on the blacklist algorithm with one fail-over                                 | Compressed Ex.1 2/12 results    | 105 hours | 09/05/2018 |
| Work out Ex.3<br>(4/24) | Compile results of Ex.3 (4/24)   | Compiled results of Ex.3 (4/24) | 2 hours   | 07/05/2018 |
| Write chapter 6.9       | Write down the results for chapter 6.9 about the results of Ex.3 (4/24)                          | Chapter 6.9                     | 3 hours   | 07/05/2018 |
| Experiment 1<br>(3/18)  | Ticktime influence on the blacklist algorithm with one fail-over                                 | Compressed Ex.1 3/18 results    | 105 hours | 14/05/2018 |
| Work out Ex.1<br>(2/12) | Compile results of Ex.1 (2/12)   | Compiled results of Ex.1 (2/12) | 2 hours   | 10/05/2018 |
| Write chapter 6.1       | Write down the results for chapter 6.1 about the results of Ex.1 (2/12)                          | Chapter 6.1                     | 3 hours   | 10/05/2018 |

|                                  |   |                                 |           |            |
|----------------------------------|---|---------------------------------|-----------|------------|
| Experiment 1<br>(4/24)           | Ticktime influence on the blacklist algorithm with one fail-over  | Compressed Ex.1 4/24 results    | 105 hours | 19/05/2018 |
| Work out Ex.1<br>(3/18)          | Compile results of Ex.1 (3/18)  | Compiled results of Ex.1 (3/18) | 2 hours   | 15/05/2018 |
| Write chapter 6.4                | Write down the results for chapter 6.4 about the results of Ex.1 (3/18)   | Chapter 6.4                     | 3 hours   | 15/05/2018 |
| Work out Ex.1<br>(4/24)          | Compile results of Ex.1 (4/24)  | Compiled results of Ex.1 (4/24) | 2 hours   | 21/05/2018 |
| Write chapter 6.7                | Write down the results for chapter 6.7 about the results of Ex.1 (4/24)   | Chapter 6.7                     | 3 hours   | 21/05/2018 |
| Compile + write appendixes       | Compile and write down everything that needs to go in the appendix, which include the bibliography, email documentation, and glossary | Appendixes                      | 4 hours   | 16/05/2018 |
| Write a summary in 2/3 languages | Write a summary of the thesis in English, Dutch and German  | Summaries                       | 16 hours  | 18/05/2018 |
| Write a preface                  | Write a small preface   | Preface                         | 1 hours   | 22/05/2018 |
| Write an introduction            | Write an introduction for the thesis  | Introduction                    | 2 hours   | 22/05/2018 |
| Write chapter 7.1                | Write down the conclusions based on the results of the previous experiments   | Chapter 7.1                     | 3 hours   | 23/05/2018 |
| Write chapter 7.2                | Write down the recommendations based on the results of the previous experiments   | Chapter 7.2                     | 3 hours   | 23/05/2018 |
